Machampane Wilderness Camp +27 21 701 7860

Located in Parque Nacional do Limpopo, the 1,1 million hectare Moçambique sector of the Great Limpopo Transfrontier Park, adjacent to Kruger National Park.

Machampane Camp is located within the Mozambique's Limpopo National Park, which is also called Parque Nacional do Limpopo and stretches from Pafuri in the north past the Giryondo border to the Massingir Dam in the south. Our accommodation is close to the border of the Kruger National park within Mozambique. Machampane Camp is an unfenced wilderness camp set on the banks of the Machampane River, making it an ideal spot for a getaway or a wilderness adventure. Machampane Wilderness Camp is an intimate 10-bed camp in the Mozambique sector of the Great Limpopo Transfrontier Park. Unfenced and secluded, visitors to the camp have a magnificent opportunity to see the untamed, natural African bush. Guided morning and evening walks are a feature of the experience. Leave at first light with a guide and armed ranger to catch the morning movements in the bush and feel the day awakening. The spoor or sighting of one of the Big 5 is a possibility. Return for brunch and spend the heat of the day in camp absorbing the tranquility of this riverine area. Go on a late afternoon walk and experience the different nature as the bush starts to fold up and go to sleep. Return in time for pre-dinner drinks in the boma, and dinner – all the while accompanied by the sounds of micro-frogs. Later in the evening, as everything quietens down, return to your tent and experience the peace of a night in the bush. Machampane Wilderness Camp is the only private concession in the

Mozambique sector of the Great Limpopo Transfrontier Park. Since opening in January 2007, the camp has borne the cost of being the only private destination marketed in this part of Mozambique. The opening of the Giriyondo border post, which created a route between southern Mozambique and South Africa's Northern provinces, is helping grow the awareness of this tranquil destination.
