

MALDIVES CATAMARAN CHARTER

Relax, cruise, dine, surf, fish or snorkel, our Maldives catamaran charters do it all.

We welcome small groups of 2 - 8 aboard our catamaran charter. Keeping it small allows you to relax with your closest family and friends and really enjoy all that the Maldives has to offer, away from the crowds.

Sit back and relax or dive in and explore. It really is up to you. With thousands of islands in the Maldives, many of them uninhabited, the world really is your oyster. So what are you waiting for? Lets go check it out!

The Maldives is stunning above the water but wait until you dive beneath the water's surface. Be prepared to be amazed by a huge variety of colourful fish, turtles and maybe even manta rays or whale sharks.

Are you a keen fisherman or woman? Well the Maldives is the place for you! With thousands of fish species and an abundance of marine life you are bound to end the day with a catch you can be proud of. Fish inner atolls or in deeper waters for your dream catch.
