A nighttime photograph of an outdoor dining area at the Ichingo Chobe River Lodge. The scene is set on a sandy bank next to a river, with large, leafy trees providing shade. Several people are seated at tables, some of which are illuminated by warm, glowing candles. A small fire burns in a pit on the left. In the background, a wooden building with a thatched roof and a small boat are visible. The overall atmosphere is serene and romantic.

**ICHINGO**  
CHOBE RIVER LODGE  
BY MANTIS
